SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Normal Operations	Normal Operations	Normal Operations	Normal Operations

2019 Measles Outbreak

- Next MHCC situation report: 05/24/19 by 1700 hours.

Cal OES INLAND REGION

Apartment Complex Roof Collapse, Stockton, San Joaquin County

On 05/19/19, Meadow Green Apartment Complex had a roof collapse in Stockton, San Joaquin County due to Sunday's Storm Event.

- Approximately 20 units were damaged in 8 different buildings.
- Approximately 50 people have been displaced due to this incident.
- There were no transports to the hospital.
- The county has no unmet needs.
- The Cal OES Fire Duty Officer (FDO), Law Duty Officer (LDO), and Inland Region Duty Officer (IDO) are monitoring the event.

Shelters

- American Red Cross
 - Arnold Rue Community Center, 5758 Lorraine Ave., Stockton
 - Midnight Count: 15

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 1	Preparedness Level 1	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Cal OES Fire Missions

- **2019-FIRE-402:** Incident Number: CA-CDF-000127, Request for five 20-person Hand Crew each and all necessary personnel, support, transportation and materials. 65 additional soldiers to be trained and ready to backfill. Assigned to fuel reduction efforts in SHU, NEU, BEU, and FKU (1 Crew in each unit with the exception of 2 crews in FKU).

CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	No 911 Outages	No 911 Outages

9-1-1 Outages/Remote/Community Isolations:

911 Outage, Gilroy Host Central Office, Santa Clara County (New/Final)

On 05/21/19 at 1723 hours, the California State Warning Center (CSWC) was advised by CA 9-1-1 Branch that at 1527 hours, Frontier made notification of an outage impacting the Central Office remote for Gilroy Host due to possible hardware failure.

- Jurisdiction affected: Santa Clara County Sheriff's Office
- Wireless 9-1-1 impacted: No
- 230 wireline calls impacted
- The problem was not a hardware failure in the Gilroy Central Office as suspected.
- The remote distribution location that is fed from the Gilroy Central Office experienced a loss of commercial power. When the standby batteries were exhausted, 230 lines lost dial tone.
- Outage restored at 2356 hours, 05/21/19

Service Interruptions:

- None reported.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- The southern Cascades, northern Sierra and parts of the San Joaquin valley will experience isolated showers.
 - Enough instability to warrant an afternoon thunderstorm threat as well
- Weekend: Increased chance of thunderstorms and mountain snow.
 - Snow levels dropping to 7,000 feet Sunday morning.

SOUTHERN CALIFORNIA

- Winter Weather Advisory in effect till midnight tonight above 5,500 feet for San Bernardino County Mountains, Riverside County Mountains – including Big Bear City, Big Bear Lake, Running Springs, and Wrightwood.
 - The most significant snowfall is expected during the afternoon and early evening with isolated thunderstorms also possible.
 - Plan on slippery road conditions, including during the evening commute. Be prepared for reduced visibilities at times.
- Scattered showers will continue across the region today, with a slight chance of thunderstorms this afternoon, mainly north of San Diego County.

WEATHER KEY POINTS

05/22/19 - 05/28/19

Tuesday-Friday

- Windy conditions continue today, primarily across Southern Region, with gusts 40-55 mph expected
 - Gusty winds could impact travel, especially for larger vehicles. Light, unsecured objects may become airborne.
 - Damage to tree limbs and power lines is possible
- Showery conditions continue across the state through the work week, especially along the higher terrain
 - The debris flow threat on burn scars is very low. Debris flows are not likely.

Saturday-Tuesday

- Another storm system will move into California for the holiday weekend, bringing an increased threat of showers, thunderstorms, and gusty winds, especially Saturday and Sunday
 - Accumulating snow is possible again in the Sierra above 7500 feet
 - The heaviest precipitation will likely be focused on the northern half of the state, but there is a chance of precipitation for Southern Region as well

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-1854, 5/21/2019, 1428 hours,** Cal OES Public Safety Communications (PSC) requesting California National Guard (CNG) helicopter to assist and transport two PSC techs and their tools to Leek Springs Communication site. Cal OES PSC attempted to reach this offline and critical site by snow cat but was unable due to deep snow and downed trees from the recent storms. Cal OES PSC's request is for an operational period on 5/22/2019 starting at 0800 hours. Law Enforcement Duty Officer (LDO) contacted CNG JOC and relayed the request. **Update:** 5/21/2019, 1522 hours, CNG accepted the mission and is coordinating with Cal OES PSC. **Mission On-going**

Cal OES MISSION TASKING

Cal OES Missions

- Nothing significant to report.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
